

# Yosemite 2017 Activities

Each of these will be available on Tuesday and Wednesday.

## Photo Walk

A photo walk led by TED photographer James Duncan Davidson.

## Vernal Falls Bridge (Guided Hike)

Two mile out and back to beautiful vista point of Vernal Falls. From here you can make the decision about whether to continue to the top of the falls. Climbs up about 500 feet in elevation.

*Difficulty: moderate.*

## Columbia Point (Guided Hike)

About a 3-mile round trip. Climbs up about 1,000 feet Columbia Rock, which provides 180-degree views along Yosemite Valley from Half Dome in the east to Cathedral Spires in the west.

*Difficulty: strenuous.*

## Vernal Falls Mist-Muir Loop (Guided Hike)

1.5 miles to the top of Vernal Falls. Two different trails provide access. The mist trail is a steep, stair-cased trail that will get you wet as you climb alongside the waterfall. You would return on the John Muir Trail.

*Difficulty: strenuous.*

## Valley Bus Tour

Two-hour tour features an overview of Yosemite Valley and a spectacular vista from Tunnel View. Join us to learn about Yosemite's exciting human and natural histories, and to increase your understanding and enjoyment of the park.
